II. Contents of information disclosure:

Hanoi Trading Corporation – Joint Stock Company would like to explain that the profit after tax in the fourth quarter of 2024 on the consolidated financial statements of the Corporation fluctuated by more than 10% over the same period in 2023 and the profit after tax in the fourth quarter of 2024 on the separate and consolidated financial statements was lost, specifically as follows:

Criteria	Q4 2024	Q4 2023	Difference	
			Amount	Ratio
Profit after corporate income tax on consolidated financial statements of the Corporation	(6.176.394.943)	(1.901.663.962)	(4.274.730.981)	Increase Loss

1. The after-tax profit in the fourth quarter of 2024 on the separate financial statements was lost due to negative impacts due to the negative political effects of Western countries, therefore the main business activities of the Corporation have not been fully restored. Export activities have stalled due to political instability and epidemics; retail, service business and commercial infrastructure exploitation have not recovered from the pandemic.

2. The profit after corporate income tax on the consolidated statement of the fourth quarter of 2024 increased losses, and the profit after tax in the consolidated financial statement of the fourth quarter of 2024 was lost mainly due to the production and business activities of the Corporation and its subsidiaries whose business activities have been heavily affected by the negative political effects of Western countries.

We hereby certify that the information disclosed above is true and we shall take full legal responsibility for the content of the disclosed information.

Your Sincerely,
